

The Keble Association, with assistance from the College, is wholly funded and managed by Alumni whose mission is to enhance the Oxford experience for all Keble students, irrespective of their financial means. In delivering this mission it makes over 100 grants a year to undergraduates and graduates focused on:

- study costs such as field research and conference attendance
- travel costs for humanitarian and environmental programmes
- help with gaining work related experience

The Association was established in 1920 and is a registered charity. It is run for the benefit of current and Old Members of the College. Our income comes entirely from voluntary subscriptions.

From academic year 2016-17, any new donations to the KA may be made via the Talbot Fund.
