Appendix D 1: SAMPLE LICENCE AGREEMENT
LICENCE AGREEMENT – 9 MONTH GRADUATE
LICENCE AGREEMENT – THREE TERM
Here is everything you need to know about your accommodation and domestic arrangements whilst at the H B Allen Centre. Information is also available on the College website and members of staff are here to help should you require further assistance.

**Accommodation Code of Practice**

Keble is signed up to the Student Accommodation Code [www.thesac.org.uk/](http://www.thesac.org.uk/)

The induction programme for all freshers during 0th Week of Michaelmas Term includes advice on health and welfare matters, gives instruction on health & safety issues, fire prevention, safety and evacuation procedures, and your use of IT and the Library. Attendance is compulsory.

**D.1. General**

**D.1.1. Scope of authority of Part D**

The Regulations in Section D apply to those Student Members and Ordinary Members of the University as defined by Oxford University Statute II\(^1\), who have been, or will be, matriculated at Keble College. They also apply to Visiting Students admitted to membership of Keble College and to any signatory of a Tenancy Agreement governing renting of accommodation at Keble.

**D.1.2. College Staff**

The College policy is to support its staff in carrying out their jobs in a reasonable and diligent manner. All staff should be treated with courtesy and consideration at all times. Failure to observe this rule will be treated as a serious disciplinary offence.

Members of staff may report Junior Members to the appropriate College Officer if a Junior Member’s behaviour is considered to be offensive or to breach the College’s rules on living in College.

**D.1.3. Domestic Arrangements**

Management of the College’s domestic arrangements (primarily accommodation and catering) is the responsibility of the [Domestic Bursar](#), reporting to the Bursar. Appointed by the Governing Body to exercise responsibility for the day to day running of the domestic aspects of college life, his role is to ensure that the College complies with its statutory and contractual responsibilities in providing accommodation and facilities on the Keble sites.

The [H B Allen Centre Manager](#) is responsible for allocation and management of accommodation, security, cleaning and waste disposal.

The [Estates Manager](#) is responsible for repairs and the upkeep of College premises.

The [Bursar](#) deals primarily with the members of the MCR Committees rather than with individual Junior Members.

All departments undertake to deal as efficiently as possible with any problems arising with your accommodation. Contact details can be found at the beginning of the handbook.

\(^1\) [www.admin.ox.ac.uk/statutes/12-011.shtml](http://www.admin.ox.ac.uk/statutes/12-011.shtml)
D.1.4. **Breaches of Licence Agreements**

The Domestic Bursar has the power to take appropriate action where you breach your licence agreement (see Appendix D.1 for sample licence) or fail to comply with any of the provisions of this Handbook relating to College accommodation or facilities. This action may include the imposition of a fine or charge. See D.1.7.

Where the Domestic Bursar thinks that your case raises serious disciplinary issues, it may be referred to the Dean for decision under his jurisdiction. Any such referral is without prejudice to the Domestic Bursar’s power to charge you for cleaning and repairs, though in such cases this power must be exercised in consultation with the Dean. You should note that the Dean has power to exclude you from College facilities (e.g. the Bar) or to withdraw your privilege of living in College accommodation.

D.1.5. **Cigarette smoking and other smoke generation**

The College has a *Smoking Policy* (Part G.9. of the College Handbook) which governs the rules on smoking and shows how the College complies with national legislation.

D.1.5.1. Smoking (including e-cigarettes) is not permitted within the buildings or Quad of the H B Allen Centre, smoking is permitted on Mickie Lane.

On the main College site smoking (including e-cigarettes) is not permitted in any College building, nor within three metres of any building entrance. In particular, the covered walkways in De Breyne and Hayward quads, the water garden outside ARCO, and the area at the bottom of the staircase up to Hall are no-smoking areas.

D.1.5.2. Junior Members who smoke must use the outdoor receptacles provided around the site to dispose of cigarette ash and butts.

D.1.5.3. Any Junior Member found smoking inside a building will be reported to the Dean and may be fined. Persistent offenders will be required to vacate their room.

D.1.5.4. It is forbidden to cause anything to burn that can make smoke or might start a fire (lighting candles or burning incense, for instance) anywhere within student accommodation.

D.1.6. **Damages and Theft**

D.1.6.1. Junior Members are not permitted to redecorate College rooms.

D.1.6.2. Junior Members are not permitted to keep animals, reptiles or birds. The College would make an exception to this policy if a student with a disability needed an assistance dog, provided that appropriate arrangements are made for the accommodation and care of the dog. A student in this situation should discuss the matter with the Domestic Bursar.

D.1.6.3. Under the terms of the licence Junior Members will be charged for any damage to the furniture, fabric, or decorations to their rooms. Extensive damage may be caused by the careless fixing of pictures (adhesive tape, blu-tack etc), which may make it necessary to replace, at the Junior Member’s expense, the whole of the emulsion paint or wallpaper in a room. To prevent damage, we ask that you do not use blue tac, sellotape or drawing pins on any walls or doors. Only picture hanging strips can be used to hang pictures on the walls and these can be purchased from the Lodge. Pin Boards and drawing pins are provided in your accommodation for you to fix things to.
D.1.6.4. Damage to College property elsewhere than in rooms will be charged to those responsible. Unassigned damage will be charged to the General Damages Account which is divided among all Junior Members of the College in residence. Damage occurring on the occasion of any Club or College dinner, or any other party or festivity, will be treated (if it is not assigned to an individual) as the joint responsibility of all those present at the dinner or party.

D.1.6.5. For wilful damage, the charge will be double the cost of repair or replacement.

D.1.6.6. The Governing Body will normally expect that, in the event of serious instances of pre-meditated theft of College property by Junior Members, the person(s) responsible will be subject to ordinary processes of the criminal law.

D.1.7. Procedure before the Domestic Bursar

College Policy, and the informal and formal procedures governing the mechanism of appeals including those about domestic matters, are set out definitively in Section G.4. of the Handbook. We hope that you will be able to resolve within College any concerns or problems. However, if you remain dissatisfied, you may be able to appeal to the Office of the Independent Adjudicator, a public body independent of the College. Details of how to do this are available on the web at: www.oiahe.org.uk/.

Where the facts of the case involving a potential penalty or charge are clear-cut, the Domestic Bursar will write to you with his decision. If the facts are not clear-cut, the Domestic Bursar will invite you to a meeting at which you will be given an opportunity to explain what has happened and to identify any mitigating circumstances. The Domestic Bursar may confer with others (including College staff and subject tutors) at his discretion. He will write to you as soon as possible to inform you of his decision.

If you think that the penalty imposed by the Domestic Bursar is unduly harsh, you may ask him to reconsider. You may write to the Domestic Bursar outlining any mitigating factors you think are applicable in your case. Where these mitigating factors include medical evidence, you must submit a report from a qualified medical practitioner. The Domestic Bursar will write back to you as soon as possible with his decision. If you are still not satisfied with the outcome you may make a formal complaint using the Keble College Complaints and Appeals Procedure (see Section G.4.).

D.1.8. Dealing with Problems and Complaints

Report all Housekeeping, Maintenance, and IT problems via the College website page www.keble.ox.ac.uk/students/maintenance-form.

If you have any other concerns about your accommodation or College facilities which cannot be addressed through your Scout or the Porters’ Lodge, you should contact the H B Allen Centre Manager. Where the concern is a more general one about the College’s policies, it may be more appropriate to involve the MCR Committee and to raise it with the Domestic Bursar.

If you wish to complain about a member of the Domestic staff you should do so in the strictest confidence to the Domestic Bursar. If the Domestic Bursar decides that a serious breach of College rules has taken place he may invoke the College formal disciplinary code for members of staff. The Domestic Bursar’s decision in this matter is final subject to the complaints procedure.
detailed in Section G.4. Complaints about other members of staff should be made to the relevant College Officer.

D.2. Health and Safety

D.2.1. General

Student residences and their contents as supplied by the College meet the requirements of all relevant health and safety regulations and codes of practice. Certain special circumstances (e.g. legislation relating to listed buildings) may justify a partial relaxation of these requirements. Extra care should be taken whilst moving around the Victorian parts of College. Uneven stair treads and low banister's are on some staircases. Residents are also advised that they must not lean out of bedroom windows.

The College makes an analysis of the risk of such events as fire, outbreak of disease or major breakdown and develops procedures for dealing with them. The analysis and the procedures are documented in risk registers and are available for inspection by residents subject to data protection legislation and assessed security risks.

Security within the College is the responsibility of all residents. Security doors at the entrances to college buildings must remain locked at all times. Residents are advised to close their windows (especially in rooms on the ground floor) and lock the door when leaving their room.

Tampering with window restrictors and door closing mechanisms is an offence and will be reported to the Dean.

D.2.2. What to Do in an Emergency

In the event of any emergency, including one requiring the attendance of the police, fire or ambulance services, you should contact the Lodge on 01865-282300. If for any reason you independently have to summon an emergency service to College, you must inform the Lodge as soon as you can. The College is required to record in the Report Book in the Lodge injury to any person within the curtilage of the College.

If there’s a fire, follow “Actions in the event of Fire” (D.4., below)

D.3. Fire safety

For the safety of occupants, the College has installed a comprehensive fire precautions system. Fire safety systems are maintained in working order and regularly tested in accordance with the appropriate regulations. The design and detail of systems in existing buildings is determined in accordance with a fire safety risk assessment and in consultation with the appropriate authorities. Safety systems such as emergency lighting, emergency secondary power supplies, and fire doors will be regularly tested in accordance with the appropriate British Standard.

You must not engage in any activity which could give rise to a fire hazard.
You must not interfere intentionally or recklessly with fire alarms or extinguishers.

You must take all reasonable steps to minimise triggering false alarms.

Unannounced fire evacuation practices will be conducted at the beginning of each academic year and at least once in Hilary and Trinity Terms and a record will be maintained. You must participate in any such practices.

Whilst living and working at Keble it is essential that certain rules are followed to ensure your safety and the safety of others. Please take a few moments to read the following as breach of regulations can be costly.

D.3.1. Junior Members shall not intentionally or recklessly interfere with or misuse anything provided in the interest of health, safety or welfare in pursuance of the relevant statutory provisions. Interference with fire extinguishers and heat/smoke detectors is a criminal offence, and will be subject to a fine plus costs. When no culprit is identified, the fine and costs will be added to the General Damages Account. In the event of a fire alarm being activated maliciously, the Fire Brigade call-out fee will be charged to the culprit, or, if the culprit is not found, to the General Damages Account.

D.3.2. Junior Members shall not infringe safety regulations or instructions in published notices concerning safety precautions in any part of the College.

D.3.3. All Members of the College are required to comply with fire precaution procedures. In the event of a fire alarm being sounded, everyone must leave the building immediately and proceed to the appropriate assembly point. The only exception is when alarms are being tested, which is between 10.00 a.m. and 12 noon every Wednesday.

No one may re-enter any building until told that it is safe to do so. Please see the full fire safety instructions that follow.

D.3.4. To ensure safe evacuation in the event of fire junior members should be aware that all corridors, doorways, stairs and fire exits should remain clear at all times. Nothing should be left where it may cause a potential hazard. You must not do anything to obstruct corridors, landings, stairs, hallways or fire exits because this may endanger people’s lives in the event of a fire.

D.3.5. Fire doors must not be ‘propped’ open.

D.3.6. Students with disabilities should make themselves known to the College Disability Officer (Warden’s PA) prior to arrival, so that they may be advised of any special arrangements, such as personal evacuation plans, which are in place for them in case of fire or other emergency.

D.3.7. Cooking in rooms is dangerous and is expressly forbidden except where equipment is provided by the College. Toasters, rice or slow cookers and sandwich makers are not permitted. If a refrigerator is kept in a room it must be kept clean.

D.3.8. If the fire alarm is activated more than once where individual kitchenettes are provided with cooking facilities, the equipment will be disconnected or removed.
D.3.9. Junior Members who persist in infringing safety regulations and endanger other members and/or staff of the College will be required to vacate their room.

D.4. Actions in the Event of Fire

The immediate actions in the event of fire are displayed in all study bedrooms, kitchens, public spaces and at each manual call point. For your own safety make sure that you are thoroughly familiar with these instructions and that you are aware of the escape route from your room. If the fire alarm sounds continuously in your building, evacuate quickly and calmly – do not stop to collect personal belongings.

DO NOT tackle a fire unless it is safe to do so. Fire blankets are installed in all kitchens and should be used on pan fires and when a person’s clothes are on fire. Fire extinguishers are located throughout the buildings and have written on them their specific purposes and instructions for use. You must make sure you use the correct extinguishers for the type of fire you are fighting.

If you discover a fire you will need to act calmly and quickly. If it is a small fire you may be able to put it out but before attempting to do so you must raise the alarm if it has not been triggered by the heat or smoke. Do this by setting off the alarm by breaking the glass at the manual call point.

Make sure you have a clear escape route.

Do not tackle the fire if there is a danger of being trapped or, if the fire is beyond your competence, leave the area immediately. Ensure the door is closed behind you to help stop the fire spreading. Leave the building and go to the nearest assembly point. Do not use the lift. Do not re-enter any building until you are informed it is safe to do so.

D.5. Fire Prevention and Containment

The measures to prevent fires and contain them if they do break out are fundamental to the building design. Most are integral to the construction but some involve restrictions and limitations. These are:

D.5.1. The air inlet and outlet ducts in the rooms and common areas are to be kept free and unobstructed.

D.5.2. Internal fire doors into rooms and flats are never to be propped open and are always to be left free to close.

D.5.3. Any automatic closing fire doors are to remain unobstructed and free to close fully at all times. They must not be wedged open at any time.

D.5.4. The external doors at the top of stairwells are to remain locked or under control of a named individual.

D.5.5. Cooking is to be confined to the kitchens or kitchenettes. Care is to be taken when cooking; deep fat frying is prohibited in all kitchens.

D.5.6. Rubbish is to be removed from rooms.

D.5.7. Exit and escape routes are to be kept clear of obstructions at all times.
D.5.8. Smoking is not permitted.

D.5.9. In the designated area where smoking is permitted, Smokers are to ensure that their cigarette stubs are always extinguished.

D.5.10. Lighted candles and incense sticks are a hazard and are forbidden.

D.6. Services

D.6.1. Electricity and gas supplies

The College undertakes that, except in the case of emergencies or essential maintenance, electricity and gas supplies and lighting will be maintained without interruption. Gas and electrical installations will be properly maintained and tested in accordance with gas safety regulations and British Standards. Instructions will be provided on the safe operation of all electrically operated equipment that a student may need to operate. These instructions will be posted near to the relevant equipment.

D.6.2. Gas Installations

The College undertakes to ensure that all gas supplies, distribution pipe work and gas fired appliances comply with the relevant gas safety regulations.

The College ensures that all gas appliances have an annual gas safety check undertaken by a Gas-Safe registered gas installer. A copy of the safety certificate is available from the Estates Manager in accordance with the regulations.

D.6.3. Electrical Installations

The College undertakes to ensure that all electrical installations are maintained in accordance with the most recent version of the Institute of Electrical Engineers (IEE) Regulations. All building electrical installations will be inspected and tested in accordance with the IEE Regulations, currently at least every 5 years, and the results recorded in an appropriate register.

D.6.4. Electrical Safety

Any electrical appliance which is brought into the College is required by law to be safe. Student electrical equipment is not subject to portable appliance testing (PAT) regulations as it is considered to be for leisure purposes and not for use at work. Please note that the voltage supplied in College rooms is 220v-240v or 115/230v in shaver points which are 2 pin. Electric sockets take square 3 pin plugs. Please check the voltage of your appliance before using it. Any equipment which becomes unsafe is not to be used and should be removed from the College.

If any electrical equipment in your room is found to be unsafe, the College will notify you of this fact and will make arrangements for dealing with it in accordance with the degree of risk it poses. It may be labelled as unsafe, you may be instructed to remove it or, in extreme cases (for example, if there is a risk of fire or electrocution), it may be removed for safe keeping or disabled.

Junior Members are responsible for maintaining a reasonably safe environment for the College’s employees who may have to enter their room e.g. ensuring that cables to personal electrical equipment are safe and unable to cause a trip hazard.
All portable electrical appliances supplied by the College, or used in the premises by College staff, will be inspected and maintained in accordance with the College’s Portable Appliance Testing (PAT) policy.

D.6.5. Water Supplies

All areas of the college are provided with hot and cold water to appropriately marked taps. Any cold water supply that is not drinkable is clearly identified as such.

All waste water is removed via an appropriate trapped connection to the sewerage system. The College undertakes to ensure that hot and cold water services are installed, monitored and maintained in accordance with all appropriate legal requirements.

D.6.6. Lighting

The College provides lighting in accordance with the Chartered Institution of Building Services Engineers (CIBSE) recommendations. In study bedrooms the recommended level of illumination is achieved by the use of local task lighting (e.g. desk lamps).

D.7. Security

D.7.1. General Security

The H B Allen Lodge is responsible for day to day security assisted at times by University Security Officers. Lodge Porters may be identified by their Keble name badge. Any unauthorised access to rooms or cause for suspicion should be reported to the Lodge immediately.

The College does not accept responsibility for loss of or damage to your personal possessions when on College premises. **You are strongly advised to insure your possessions before you arrive in Oxford.**

D.7.2. CCTV

The College maintains a CCTV system for the safety and security of staff, students and visitors. Notices to this effect are posted in the lodge and in entrances to the site as appropriate. The College operates the CCTV system in accordance with the relevant legislation.

D.7.3. Your responsibilities

Junior Members must be aware of their own security as well as that of other residents. Locks are installed to protect residents from unauthorised access and leaving such doors unlocked or open removes this protection. “Tailgating” – the practice of holding a door for someone following – may also allow unauthorised access.

Each room has an individual door lock; the blocks or buildings also have a main door which should be kept locked.

Students are responsible to ensure all external windows are locked when they are away from their rooms.

D.7.4. Key-Fobs/Access cards

Key-Fobs are issued from the Lodge for the flats, access cards are issued for the single study bedrooms, both must be returned at the end of tenancy.

The Key-Fob/access card open all external gates and doors to the H B Allen Centre.
Your University Card will open all external doors to main College. Access to the main College site from midnight to 6.00am is only through the main door in Parks Road.

Key-Fobs/Access cards are issued to all Junior Members living in the H B Allen Centre. There is a charge of £10 for replacement Fobs.

Do not give your Fob to anyone else. Your accommodation is for your occupancy only and you compromise security by allowing others to have access to your room unaccompanied.

D.8.  Accommodation

D.8.1.  General

The H B Allen Centre provides ensuite accommodation for 230 graduates.

Freshers’ accommodation is allocated by the H B Allen Centre Manager, subsequent years are allocated by the MCR in a room ballot held on Sunday 1st Week of Hilary Term.

All bedrooms have an outer security door and all are provided with individual locks. They are furnished with 4ft Double Beds, mattress, mattress cover and pillows. There is a built in desk with chair. All of the rooms are ensuite and have built in wardrobes and have under bed storage. There is a bookshelf and pin board. All bathrooms are fitted with a shower cubicle, wash basin and toilet.

You can either provide your own bed linen or purchase a bedding pack for £30.00.

The bedrooms are configured either as individual self-contained study-bedrooms, each with a kitchenette, your access card will need to be placed in the slot provided within the room to use the hob. D.8.4. **Furniture and Decor**

The College undertakes to ensure that décor and furnishings will be in good order with regular checks taken on defects and refurbishment programmes implemented as required. All furnishings provided will conform to the relevant regulations. Furniture and furnishings must not be removed from rooms, nor should any furniture be brought into rooms.

In special circumstances permission may be given to bring your own furniture into a room but if you do so it must be removed upon departure. You must seek permission from the Domestic Bursar before you proceed to bring any extra furniture into College. Cases will be considered on an individual basis.

D.8.5. **Room Inventories**

Rooms are provided with furniture, décor and fittings in good order and are regularly checked for defects. However, should something in your room require attention or need repair throughout your stay please fill out the appropriate online request form.

A printed copy of the Room Inventory Form will be left in your room for your arrival. You should fully and accurately complete the Room Inventory Form, noting any damage or missing items that have not already been recorded by College. You should sign the Room Inventory Form to agree that all the damaged to the fixtures and fittings of a room and any missing items have now been recorded and return the form to the HB Allen Centre Manager.

D.8.6. **Environmental Quality**

The College will provide adequate heating, hot water and ventilation, as appropriate, for each bedroom, social space, kitchen and shower/bath room.

Junior Members are encouraged to turn off lights and electrical devices when not required in order to conserve energy and reduce costs. You should also to be environmentally responsible in the consumption of energy and use of water.

D.8.7. **Televisions**

A television or receiver may not be brought into College.

D.8.8. **Food storage**

All rooms have access to a fridge, it is your responsibility to keep it clean and hygienic and in particular to empty it out at the end of your stay. Refrigerators requiring cleaning will be charged for.

D.8.9. **Cleaning**

Cleaning of shared kitchens, common areas and shared bathrooms will be carried out daily (Mon – Fri). However, Junior Members wishing should none he less ensure that they keep the kitchens clean and tidy between visits for the benefit of other residents. It is your responsibility to wash, dry and put away all your plates and cooking utensils. Individual rooms are the responsibility of the Junior Members and College cleaners will not enter occupied rooms. It is therefore the responsibility of the Junior Members to clean their room regularly, to ensure that it is fit to be handed over when the Junior Member leaves. It is important that your accommodation is
cleaned throughout your stay to avoid cleaning charges at the end of your tenancy. Cleaning equipment (such as vacuum cleaners, chemicals, cloths etc) will be provided and Junior Members are not allowed to bring their own cleaning materials. Full instruction and training on how to use the cleaning equipment will be provided by the Housekeeping department. When requested you must allow the Housekeeping Managers access to your room on a monthly basis for checks, you will be given one weeks’ notice in advance of any visit. Junior members will be advised of any shortcomings identified and given a reasonable period of time for these to be addressed. In cases where the Junior Members fail to remedy matters within the stated time, the College reserves the right to undertake the necessary cleaning and charge the cost to them.

Parcels and all registered and recorded mail will be held in the Porter’s Lodge and the addressee notified via email. The College cannot accept responsibility for any mail or parcels received.

You should check your pigeon-hole regularly. Although every effort is made to keep the area secure, you should not leave valuable items in each others’ pigeon-holes. When you leave, it is your responsibility to notify others of your change of address. All uncollected or undeliverable mail will be returned, as far as is practicable, to sender.

D.9.1.2. Outgoing mail
External stamped mail can be left with the Porter at the Lodge, this is collected every weekday at approximately 2pm. Junior Members may purchase stamps from the lodge.

There is a University messenger service for internal mail to other Oxford University Colleges or University Departments, the internal mailbox is located in the lodge.

Any changes of email address must be immediately notified to the College Office. Junior Members are required to check their email on a regular basis (at least once a day). Failure to respond to an email will have the same consequences as failure to reply to any other form of communication.

**D.9.3. University Card**

The University card is used for the purchase of breakfast, lunch and informal dinners within the main site dining Hall and for items bought in the café. The loss of a card should be reported immediately to the College Office to prevent unauthorised use and so that a new one may be ordered. The replacement of a card may take up to three working days. There is a £15 charge for replacement - unless it has been stolen when a Police Crime Number must be given, or it has worn out.

The University Card is also used to open all external doors to the college main site, borrow books from the Library; to register personal computers onto the network; as proof of identity for issuing lost passwords and for accessing the main wicket gate, the Library, the Computer Room MCR. The University card must be displayed when sitting a University or College examination; Junior Members should ensure that their card clearly shows their name and photograph as a worn card will not be accepted. See also Section B.2.5.3

**D.10.1. First-Years (Freshers)**

In the offer pack from Keble you will receive a letter describing the types of accommodation on offer and a form, which should be returned, to indicate your preference of room type. This does not guarantee that you will be allocated the room of your choice; however, from the information you provide (including medical and other considerations), the H B Allen Centre Manager will allocate the nearest type of room available. Your room allocation will be notified to you at the end of August prior to the start of term.
A deposit is required to confirm acceptance of accommodation and this is credited towards the first term’s rent.

D.17. Gate

D.17.1. Mickie Lane gates are opened at 6 a.m. and are generally closed from 11 p.m. When locked, access may be gained via the salto lock mechanism using the key-fob or access card. A similar mechanism operates on all external gates/doors to the Centre.

D.17.2. Tradesmen are not allowed to pass the gate except at the request of a member of the College. Junior Members who order a tradesman to call at their rooms should leave written notice with the Porter.

D.17.3. Junior Members are expressly forbidden to enter the Lodge Porter's Office.

D.18. Motor Cycles and Pedal Cycles
D.18.1. Junior Members are not permitted to bring motor cycles or mopeds into the College main site or H B Allen Centre.

D.18.2. Pedal cycles may not be left anywhere within the College except in cycle parking spaces. Bicycle storage is provided in the bicycle racks located near the ARCO Building on main site or on Mickie lane within the H B Allen Centre. No bicycles are to be taken into buildings or bedrooms. Bicycles left elsewhere within the College will be impounded and a fine levied for their release. Guests of Junior Members must leave their bicycles outside the curtilage.

D.18.3. At the end of Trinity Term graduates, except for those who reside overseas and are returning, are to remove their bicycles from the College. Junior Members in their Final Year may give their bicycle to the College for it to deal with as it chooses. Any such bicycle left in College after Saturday of Tenth Week of Trinity Term shall be confirmation of such gift.

D.18.4. All bicycles must be marked clearly with the Keble College label containing an identifying number (which will be issued, on application, by the Porter). D.18.5. The College accepts no responsibility for the loss of, or for damage to, any bicycle kept or left within the College precincts, whether in term or in vacation.

D.18.6. Cycling and the use of other forms of personal transport including personal scooters, rollerblades, and skateboards, within the College precincts (including the Lodge entrance) can be dangerous, and for this reason is expressly forbidden. Offenders will be fined.

D.19. Motor Vehicles

D.19.1. Vehicle access

D.19.1.1. Lack of space makes it impossible to provide parking for the cars of Junior Members within the College precincts. If a Junior Member parks a car within the College precincts, he or she will be fined.

D.19.2. Traffic Access on Mickie Lane

D.19.2.1. Loading and Unloading within the curtilage on access days

Within the H B Allen Centre a one-way system operates. Please ensure that you enter from Woodstock Road and leave through the gate onto Banbury Road.

Parking within the curtilage is strictly limited to 90 minutes. No return is permitted.

Drivers will be issued with a time-stamped permit on entry. Only one permit per student will be issued. This must be displayed prominently on the dashboard and handed in at the Lodge on departure.
D.19.2.2. Experience has shown that, provided everyone follows these instructions, the access arrangements will work smoothly to the benefit of all. Please note, however, that, in order to encourage compliance, staying beyond the time limit, or failing to display the permit or failure to hand it in on departure will result in an automatic charge of £20 to the Junior Member’s battels account; and any car staying for more than 2 hours shall, in addition to the £20 charge, be banned from coming within the curtilage on any subsequent visit.

D.19.2.3. Several trucks are available for transporting belongings. Junior members who borrow the College trucks are reminded that they must be returned to the storage area on Mickie Lane immediately after use. Except for transfers of belongings to and from a vehicle at the start or end of term, trucks are NOT TO BE TAKEN OUTSIDE the grounds without prior permission from the Head Porter or Accommodation Manager. Trucks must never be overloaded.

D.20  Grounds and Quadrangles

D.20.1. The College endeavours to provide a safe and pleasant outdoor environment. Principal pathways are hard paved (or have another suitable surface) and are illuminated appropriately for the environment. Litter is collected and paths swept regularly. The College plans to clear hazards (ice, snow or leaves) from paths as soon as it is reasonably practicable to do so. The grounds are for everyone’s enjoyment. Considerable efforts are made to make the flower borders look attractive. They make a very favourable impression on visitors, and College members should do everything they can do to help this, such as clearing up bits of litter if it is safe to do so.

D.20.2. Because of the hazard to plants and to windows, no games of any kind are allowed within the H B Allen curtilage.

Within the main College site croquet can be played on Pusey Quad. The College lawns may only be used when the ‘Lawns Open Today’ sign is displayed in the lodge archway (this will be posted by 10am each day), when it is not raining, when it is a permitted time and only on the permitted lawn. The permitted times are: (a) Sitting and Strolling: noon to dusk; (b) croquet: 4pm to dusk (Monday to Friday); noon to dusk (Saturday to Sunday). The permitted lawns are: Pusey Quad, which may be used for croquet from Sunday 0th Week Trinity until Sunday 0th Week Michaelmas Term; no walking across, but sitting or lying on it is permitted; (c) Hayward Quad, which may be used for recreation but not croquet. Permitted lawns may not be used at any other time of the year without the Dean’s permission. Liddon Quad lawn may not be used at any time. Newman Quad Lawn may used with the Dean’s permission. The garden area and lawn of De Breyne Quad is out of bounds, and walking on the flower beds is not permitted.

D.20.3. The dropping of any litter, cigarette stubs, etc. in the College premises, including the Quads and gardens will be subject to a fine not exceeding £15 per offence for a first offender: double for subsequent offences.

D.20.4. The code of conduct drawn up by the University Proctors concerning post-examination celebrations applies also to the College premises.

D.20.5. Climbing onto the roofs of the College buildings or scaling its walls or scaffolding is extremely hazardous and is strictly forbidden. Disciplinary action at the level of a Serious Offence (Section C.10.) may well ensue, even for a first offence.
D20.6 The College will operate a snow clearing policy during Michaelmas and Hilary Terms. During this time we will endeavor to maintain safe access to all buildings, within the curtilage by clearing snow and treating surfaces with rock salt.

D.21. Music

Keble has first-class facilities for music and drama, which Junior Members are strongly encouraged to enjoy and use. The rules below are for maintaining everything in first-rate condition, and to avoid annoyance to neighbours at inappropriate times.

D.21.1. Junior Members are permitted to keep and use in their rooms musical instruments and audio-equipment; but they are required when using them to exercise consideration for their neighbours. Where possible, it is better to use a practice room (D.21.5). Junior Members are permitted to play live musical instruments in their rooms only during the following hours:

- Monday to Friday from 6 p.m. to 11 p.m.
- Saturdays and Sundays from 9.30 a.m. to 11 p.m.

D.21.2. The Dean may withdraw this permission from any Junior Member who infringes any part of this regulation or the regulation concerning electrical appliances (D.6.4).

D.21.3. Audio-equipment may be used at any time if it is not audible outside the room in which it is used. It may not at any time be used out of doors within the College precincts.

D.21.4. On the main College site the Andrew and Christine Hall Music Room is available to members of the Music Society for music practice and concerts during term. The room is bookable via the main Lodge.

D.21.5. Music practice may take place:

- for solo instruments, in the two practice rooms in the Sloane Robinson Building, at times and dates that do not conflict with rehearsals or events in the O'Reilly Theatre since these rooms are also used as Dressing Rooms for the theatre.
- for instrumental groups or ensembles, in the College bar, 2 p.m. to 5 p.m. Monday to Friday, and 11 a.m. to 1 p.m. Saturday and Sunday during term, subject to prior application to the Secretary of the Keble Music Society and acceptance of the relevant regulations; see [http://users.ox.ac.uk/~oums/kcms/main/facilities.htm](http://users.ox.ac.uk/~oums/kcms/main/facilities.htm)
- in the West vestry, at times and dates that do not coincide with services and events in the Chapel. This vestry has a piano and is suitable for small choral groups.
- on the piano in the Pusey Room, 9 a.m. to 11 p.m. when not booked for other purposes.

D.22. Events and Entertainments in Public Rooms

D.22.1 Organisation of events

A schedule for special Hall Dinners is agreed by Domestic Committee each year. These include dinners for college sports teams, societies and subject (by Division). They take place only on Monday or Thursday evenings and only during term. A timetable is issued at the start of Michaelmas Term. See D.22.5 below.
Many other events, including speaker meetings and more informal socials, occur frequently throughout term. Read D.22.1.1 onwards concerning the arrangements for these.

For whichever kind of event

D.22.1.2. No event is allowed after the end of Week 3 of Trinity Term, in the interests of those taking examinations.

D.22.2. Booking of rooms

D.22.2.1. Secretaries of College Societies wanting to book rooms, and of University Societies whose executive committee includes a member of Keble College, should first register with the Junior Dean, from whom registration forms are available. Societies failing to register before the end of 1st Week of any term may find that their bookings are not accepted in that term.

D.22.2.2. Requests for block bookings throughout term may be declined in the interests of making rooms as widely available as possible. Such requests should be discussed with the Junior Dean. A University Society may book rooms no more than twice a term.

D.22.2.3. Anyone wishing to hold an event in one of the College’s public rooms must obtain permission well in advance. Anyone who organises an event without permission will be subject to stern disciplinary action. Remember that the time and place have to be firmly fixed before a meeting can be advertised. The Junior and Middle Common Rooms count as public rooms and are governed by this Regulation, if any of the five points below apply.
The Lodge porters will provide an application form and check if the proposed room is available. If any one or more of the following apply, a minimum of TEN days’ notice is required, and the application form, available from the Lodge, must be routed initially via the Junior Dean:

- Serving of alcohol, whether sold or not. This is subject to the general terms of the College’s licence with the public authorities. Permission of the Domestic Bursar is required (or, failing him, the Steward).
- Hosting of an outside speaker (see also G.2 Code of Practice on Freedom of Speech). Permission of the Dean is required. The Junior Dean will forward the application to the Dean, who will conduct a risk assessment and, if necessary, seek advice from the University Registrar and/or University Marshall (for example, where the College’s Prevent duty may be relevant). The Dean will keep a written record of all requests and decisions regarding outside speakers. Such events must comply with the College’s and University’s ‘Prevent’ duties under the Counter-terrorism and Security Act 2015 alongside the Policy and Practice on Freedom of Speech (see G.2).

- Event will be open to non-University members.
- Attendance numbers may exceed 50 (except for normal common room meetings of JCR members within the JCR or MCR members within the MCR).

The numbers at such dinners will not exceed 60 except for certain subjects and occasions as agreed by Governing Body.

- **D.22.5.3.** A member of the Senior Common Room or a Junior Dean must attend and act in a supervisory capacity; they will not count as one of the 60. For dinners and guest nights with over 60 diners, two members of the Senior Common Room must attend, one of whom may be a Junior Dean. They will be in addition to the agreed permitted number.

### D.22.6. Conduct during Dinners and Guest Nights

No drinks may be taken into Hall. No balloons, hats or noise-making instruments are permitted. Those attending dinners and guest nights are expressly forbidden to throw food or liquid in Hall, and must abide by the rules of behaviour appropriate to the setting and the occasion. The Hall Manager has the authority to terminate any dinner where behaviour is unacceptable and to levy an additional charge of up to £5 on each diner. The Dean has the authority to ban dinners by any club, society or subject in the following year or years.

### D.22.7. Advertising and fly-posting

### D.22.8. College’s Premises Licence
Junior Members are reminded that public performances of any type of entertainment fall within the remit of the College’s Premises Licence. Organisers remain responsible for the safety of performers and the audience, and with respect to the Theatres Act 1968, for requirements regarding such matters as obscenity, incitement to racial hatred, etc. Junior Members are advised to consult the Proctors' Memorandum, Section 5: www.admin.ox.ac.uk/proctors/info/pam/

  - the Landlord having the right to deduct from the Deposit:
