

BODLEIAN LIBRARIES INDUCTION FOR UNDERGRADUATES and VISITING STUDENTS

Libraries will play a big part during your time at Oxford, whether providing access online articles on your reading list or helping you find that elusive book. The Bodleian Libraries is the library service supporting the University and can help you get the most out of your course. **A short 30-minute webinar has been scheduled into your timetable to introduce you to the Bodleian Libraries and how they can help you. This will take place via Microsoft Teams. There is no need to book.**

You will get the best experience by joining via the [Teams desktop app](#), but you can join via a browser too (Google Chrome is recommended). If you have any accessibility requirements you would like to declare, please contact usered@bodleian.ox.ac.uk.

The webinars are not subject specific or for a particular college, so students from different subject areas and colleges will be attending at the same time. Just select a session from the list below which fits with your schedule and join using this link:
