

# COVID-19 @

## What to do if you have symptoms

1. Book a PCR test through Early Alert Service  
<https://www.ox.ac.uk/coronavirus/health/covid-testing>

2. Isolate in your room in college, even if you have been vaccinated

3. Review the Covid isolation information on the Keble website which will provide information on next steps

---

## Lateral flow testing

Test twice per week  
Tests can be collected from the porters' lodge  
or any local pharmacies

---

## Vaccinations

Drop in vaccination centres are open at the University Club 7 days per week from  
Monday 20th September  
No appointment needed  
11 Mansfield Rd, Oxford OX1 3SZ

## Face coverings & social distancing

We strongly encourage students and staff to wear face-coverings (a) where social distancing is not possible and/or where ventilation is limited and (b) in other situations where the group agrees that this is their preference.

**Be responsible. Be considerate. Be safe.**
