

## 2020 Admissions Round Feedback

### Biomedical Sciences and Medicine

**Please note this is subject admissions feedback from the 2020 selection round - there will be changes each year, and these pages are only retained to provide a general indication of process.**

#### Biomedical Sciences

Twenty-one candidates were shortlisted for interview at Keble by the BC98 biomedical sciences central admissions process. All candidates had a single remote interview with three tutors from the College that assessed both academic potential and suitability to read biomedical sciences. Each candidate was scored independently by the interviewers on a scale from 0.0 (poor) to 4.0 (exceptional). These scores were collated and summed to give a total out of a possible 12.0. Across the entire cohort scores ranged from 7.0 to 11.25 with a mean score of 9.5. The interview score was used to submit the initial ranking at which point the central admissions team released the opinion of the second college plus BMAT results. The average BMAT result for candidates seen at Keble was 64.3% with a range of 52 to 74%. Taking into account all these various parameters and relevant contextual information, three conditional offers were made by the tutor team at Keble. Successful candidates scored over 10.75 in the interview and had an average BMAT mark of 71.3%. A further 6 candidates interviewed by Keble received offers or open offers underwritten by other colleges.

#### Medicine

Twenty-nine candidates were shortlisted for interview at Keble by the A100 medicine central admissions process. All candidates had a single remote interview with three tutors from the College that assessed both academic potential and suitability to read medicine. Each candidate was scored independently by the interviewers on a scale from 0.0 (poor) to 4.0 (exceptional). These scores were collated and summed to give a total out of a possible 12.0. Across the entire cohort scores ranged from 5.75 to 11.5 with a mean score of 8.9. The interview score was used to submit the initial ranking at which point the central admissions team released the opinion of the second college plus BMAT results. The average BMAT result for candidates seen at Keble was 65.2% with a range of 53 to 82%. Taking into account all these various parameters and relevant contextual information, six conditional offers were made by the tutor team at Keble College for entry in 2021. Successful candidates scored on average 10.1 in the interview and had an average BMAT mark of 67.1%. Two candidates interviewed by Keble tutors received a conditional offer underwritten by another college.
